## What happens in a COPGC party?

Your party will be supervised by COPGC Staff, who are all fully qualified and experienced British Gymnastics Coaches.

The party will begin on our **sprung floor** with warm-up activities and stretches. The children then sample some of the specialist gymnastic equipment we have to offer, including **trampoline, bars and rings, Beams the vault into the sponge pit** and much more which will last in total 1 hour, you will then go into the loft where the food will be served, the cake (brought by party organiser) can be cut and we can sing happy birthday to the birthday girl/boy. Then it's home time.

## What do the participants wear?

Participants should wear leisure clothing, leotards, jogger bottoms, t-shirts. Participants should **NOT** wear any clothing that has zips or buttons on them as refusal on the equipment will be implemented. Please also remove all jewellery.

Also NO outdoor shoes will be worn when in the gymnasium as glass and debris from outside could cause potential harm to the children that have bare feet.
